

## **GLOBAL SPECIALISED SYSTEMS: BROAD-BASED BLACK ECONOMIC EMPOWERMENT STATUS**

Global Specialised Systems have embraced the South African Governments Black Business Economic Empowerment (BBEE) initiative and it is compliant with the requirements set out.

Global Specialised Systems have completed its B-BBEE Verification and has been awarded a Level 6 compliance with the Department of Trade and Industry's Codes of Good Practice for Broad-Based Black Economic Empowerment. Our verification Certificate is available to download and is valid until 30 October 2012.

We are proactive in looking at our current status that presents significant opportunities for improvement in the scorecard rating. It is our objective to take steps that will assist in improving the BEE status of our Company, and so that our BEE contributor level will increase during our next verification.
