

Our Company

We would like to introduce our company GLOBAL SPECIALISED SYSTEMS KZN (PTY) LTD, who operates in the specialised field of supply and distribution of thermal insulation materials since 1987.

Market demand has prompted diversification of our product range. Over and above being a Specialist Distributor of ISOVER's Thermal Insulation, we also supply Gypsum Interior Systems, Polycarbonate Corrugated Sheeting and Norton Abrasives solutions.

Global has supplied products and provided services to the construction industry for over 30 years through our strategic alliance with all major supply collaborators in SA.

Being a member of various associations enables us to be an important conduit for the exchange of ideas and also keep us abreast of the latest local and international building developments.

We can offer our customers –

- ◇ Thermal Insulation one-stop-shop.
- ◇ Materials for Acoustic correction.
- ◇ Reflective foil radiant barriers.
- ◇ Fiber Cement Products.
- ◇ Gypsum Drywall & Ceiling materials.
- ◇ Polycarbonate Roof Sheeting.
- ◇ Norton Abrasive Solutions.
- ◇ Domestic and Industrial Turbine Ventilators.
- ◇ Lightweight steel frame turn-key supply.
